MANDATORY COACH CERTIFICATION

As a condition of eligibility to coach in CYBSA and Babe Ruth League, Inc., all coaches must receive certification prior to the first practice of the 2009 season. New coaches (including assistant coaches) and/or returning coaches not yet certified must complete the

online course **prior to first practice**. Response to the 2008 Coaches Certification program was tremendous and very well received. Certification costs \$19.95 and has been upgraded from a three year term to a lifetime certification.

The abundance of information and tips available to coaches upon completion of the course and final exam far exceeds the cost of the certification course. The online course is easy, informative, and well worth the time spent.
